VCTC Intercity Buses to Feature Drawings by Young Local Artists

CAMARILLO, Calif. – For the second straight year, colorful artwork by members of Boys & Girls Clubs across Ventura County will decorate the sides of Ventura County Transportation Commission (VCTC) Intercity Transit buses.

The 2020 art contest, a partnership between VCTC and the Boys & Girls Clubs, featured the theme “Getting Around in 100 Years.” VCTC provided small grants to the clubs to purchase supplies for members to create their works of art. Winning drawings were selected by VCTC staff and included such visionary travel options as flying cars and lounge chairs.

“The art contest is such a fun and creative way to engage our youngest residents about transportation and letting them know how important it is. The Commission is always proud to support the partnership between VCTC and the Boys & Girls Clubs in Ventura County,” said VCTC Chair Claudia Bill-de la Peña.

The artwork decals can be seen on VCTC Intercity Transit service buses for the next several months.

VCTC sends its appreciation to the following clubs for their collaboration on the project: Boys & Girls Club of Camarillo, Boys & Girls Club of Greater Conejo Valley, Boys & Girls Club of Moorpark, Boys & Girls Club of Greater Oxnard and Port Hueneme, Boys & Girls Club of Santa Clara Valley, Boys & Girls Club of Simi Valley and Boys & Girls Club of Greater Ventura.

About the Ventura County Transportation Commission

The Ventura County Transportation Commission is the regional transportation planning agency committed to keeping Ventura County moving. Program information is available at goventura.org. For the latest on VCTC, follow @goVentura on Twitter, Facebook, Instagram and LinkedIn.
